HELLO

I'm **Nick**,
a UI/UX Designer & Researcher
studying Biology and Media Studies at UC Berkeley.

EXPERIENCE

2016 - Present

Student RND

Codeday Organizer / Mentor

- Acted as a mentor and provided a workshop teaching participants about web development using HTML/CSS.
- Planned the logistical aspects of the event such as food planning by contacting sponsors and creating organized spreadsheets.

2016 - Present

Business Careers in Entertainment Club

Digital Marketing Committee Member

- Facilitated the coordination and promotion of a digital marketing event at which students had the opportunity to network with industry professionals.
- Participated in weekly digital marketing committee meetings, providing professional mentorship to committee members who are passionate about marketing positions.
- Contacted and invited various industry professionals to informational and networking events.
- Used Adobe Illustrator and Photoshop to create fliers and a cover photo for a digital marketing networking event.

2016 - Present

UC Berkeley, Library Systems

Photography Production Assistant

- Used Lightroom and Photoshop to make edits to photos needed for projects by the University Library.
- Organized and uploaded the files need to be edited using macOS and Microsoft Excel.

2016 - Present

UC Berkeley Student Learning Center

Biology Tutor

- Provided students with group and individual help in the subject of Biology.
- Discussed with fellow tutors at the Learning Center new techniques to improve tutoring abilities.
